A Tradition of Excellence...

Established in 1893, Gallagher Uniform is a local, family owned company providing specialized and innovative Uniform Programs and related services to customers throughout southwest Michigan and northern Indiana.

"We bring honesty and integrity to every client."

Today, we're managed by the fourth generation of Gallaghers who bring more than 100 years of combined industry experience. Our unique, four-brother leadership team provides a hands-on approach to the organization, combining old-fashioned personal service with the highest technology. And we're still grounded in the traditions passed from John C. Gallagher to Norman Gallagher, and from Norman to Ronald Gallagher, then from Ron to his four sons.

In 2001, the fifth generation of Gallaghers joined our company to learn our tradition of excellence. They will continue providing the superior service our family of customers have come to expect and appreciate – the kind of honesty and quality only a local and independent launderer like Gallagher can provide.

“We have been delighted with the performance of Gallagher Uniform and the quality of service you extend. We operate in a brutally competitive market and we want to congratulate you on meeting today’s competitive challenges head on. It is a pleasure to do business with Gallagher Uniform and look forward to continuing our business relationship for many years to come.”
